Masscollabs Services

Free Software for everyone

Since 2017

1 **Dojo activities**

Preparing Lab Environment 2

3 **Coding**

Testing 4

5 **Commercial Stage**
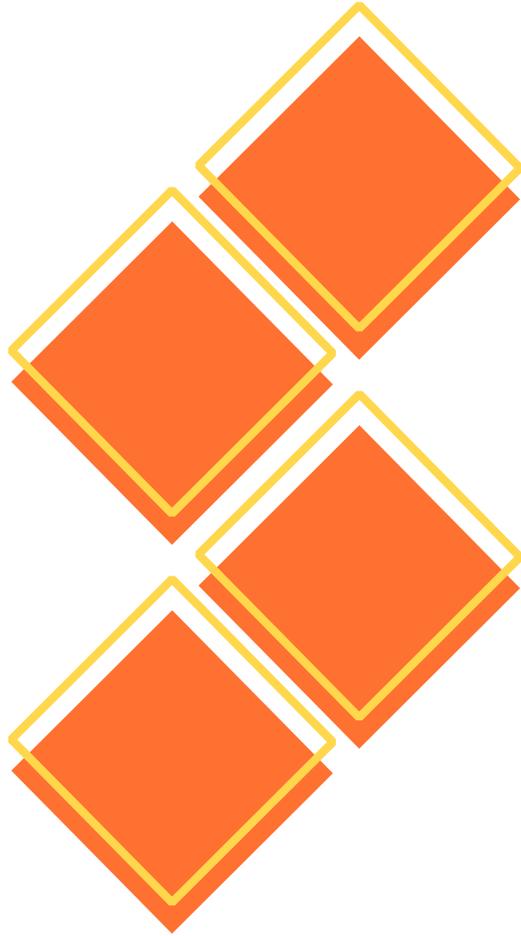

1

Masscollabs

Free Software

We design the way to interact with different teams, communities, companies and any kind of organizations such as non governmental or governmental

2

Masscollabs Services

Free Software Foundation first
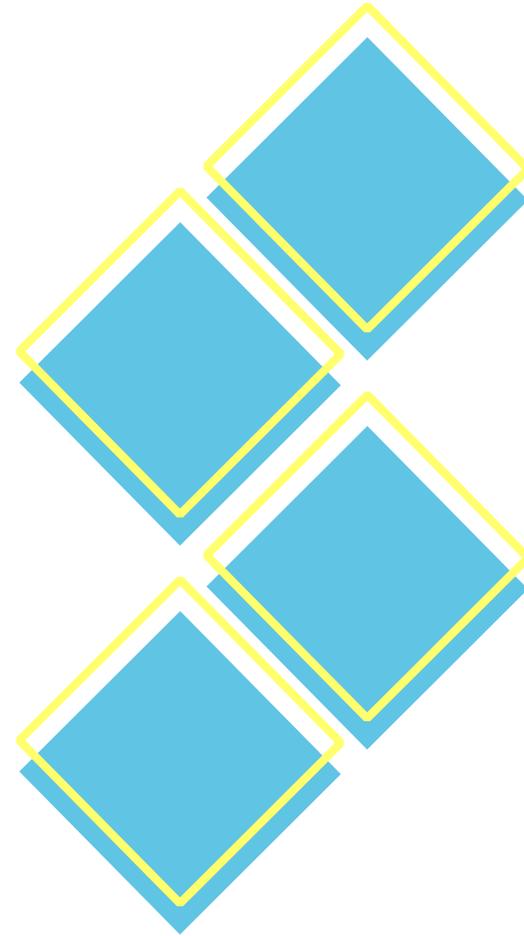

Dojo

Where we stage our learning stuff

Coding

The way we think

Testing

We test before publishing

Commercial

And we release frequently

Procyberian Systems
Distribution

Mass Collaboration Labs

Masscollabs Services
The roadmap beginning
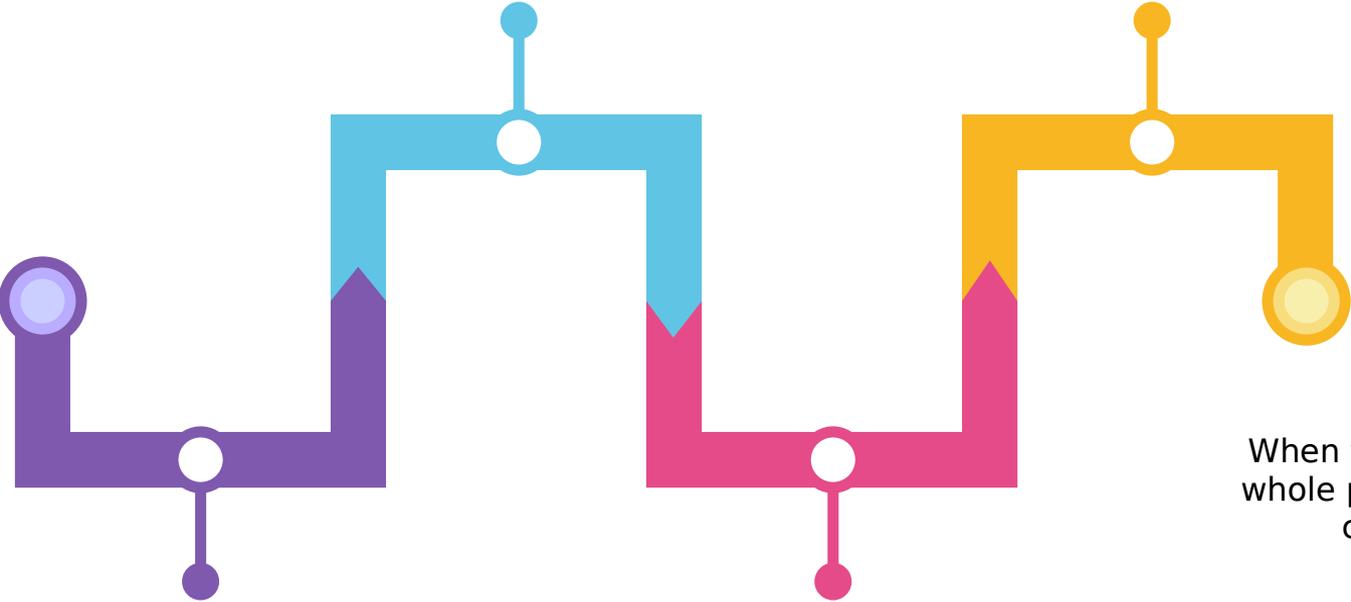

When the output of the
whole projects becomes
commercial

Masscollabs Services

Amassivus Free Software
Cloud Suite

Procyberian Systems Distribution

The systems distribution for all which is backed by Masscollabs Services and made by series of hackathons

Amassivus

Amassivus Free Software Cloud Suite

The leading organization for all

Lab Services by Masscollabs Services

Masscollabs Services

Mass Collaboration Labs
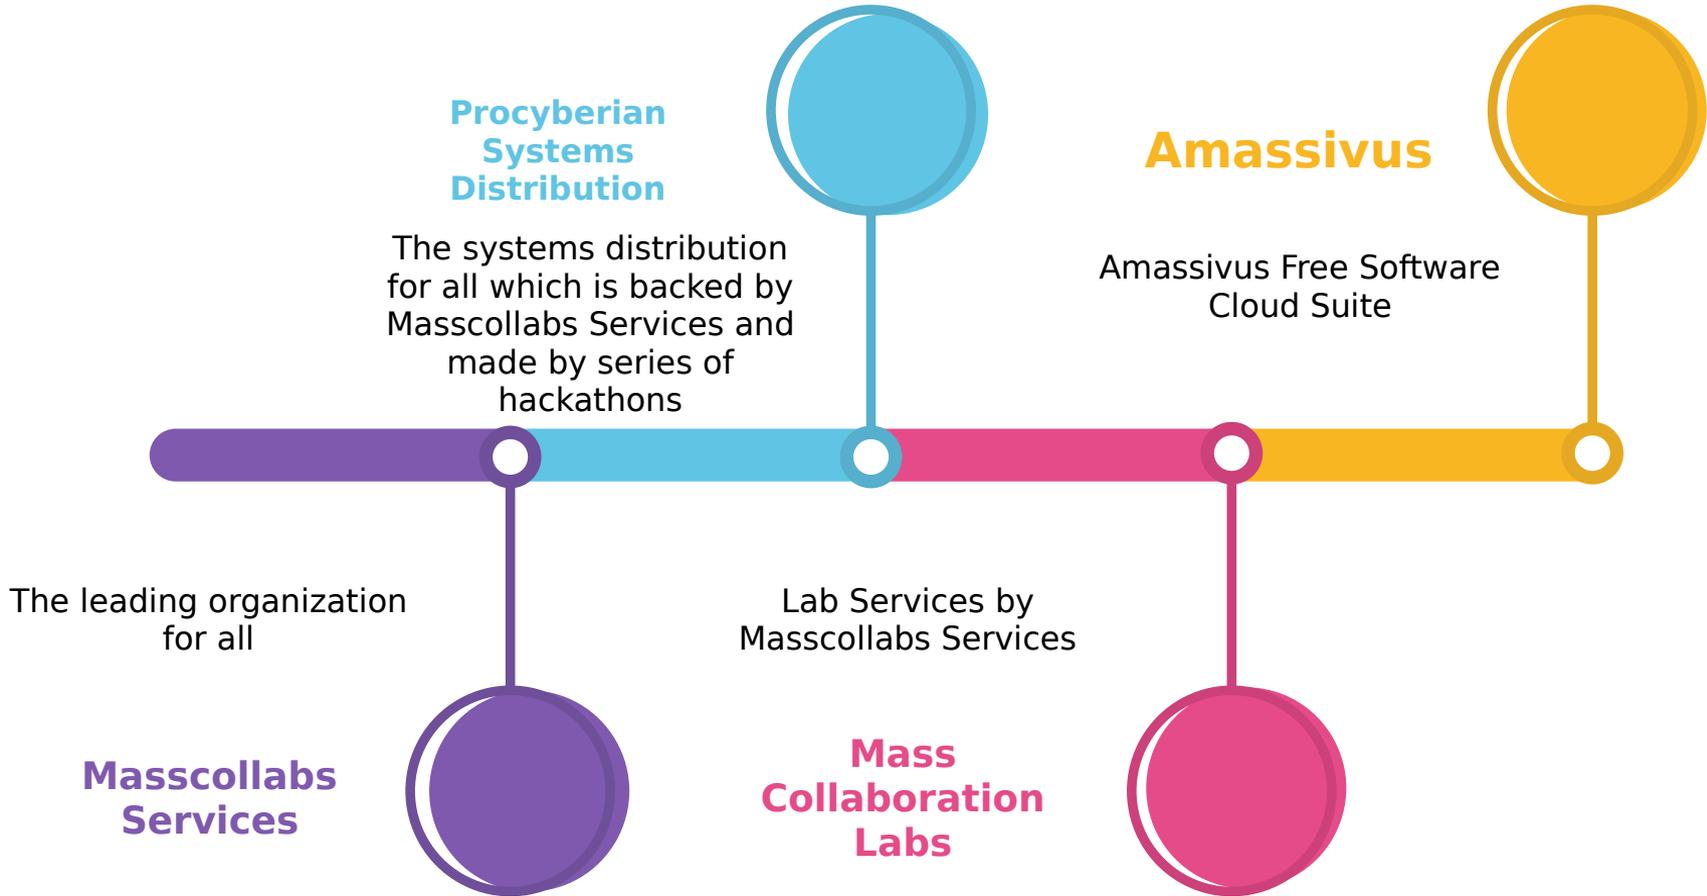

The Internet Cyberspace is our home

Work by: Falia Vicky

Free Software

Free Software is our mind before acting and the way we live

Work by: Muhammad Aria

3

Our strategy

Connect with all kind of organizations and announce it publicly

Masscollabs Services
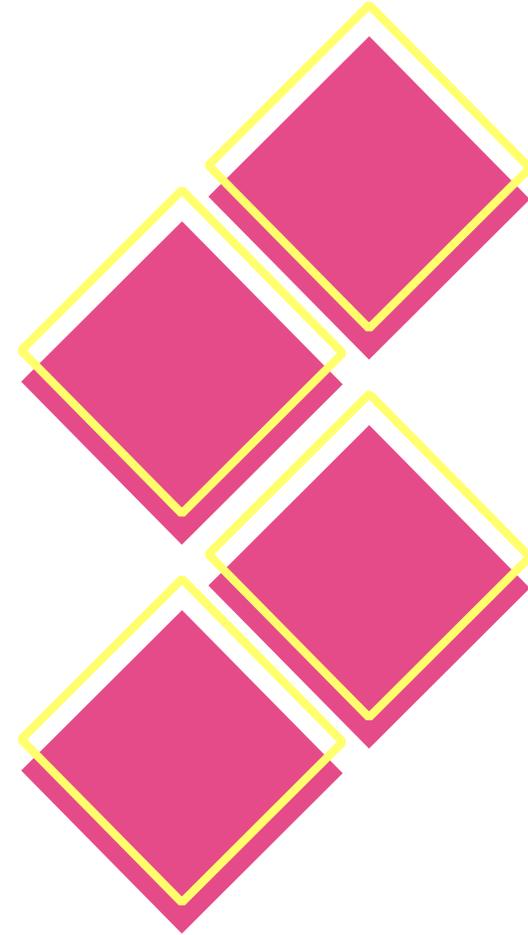

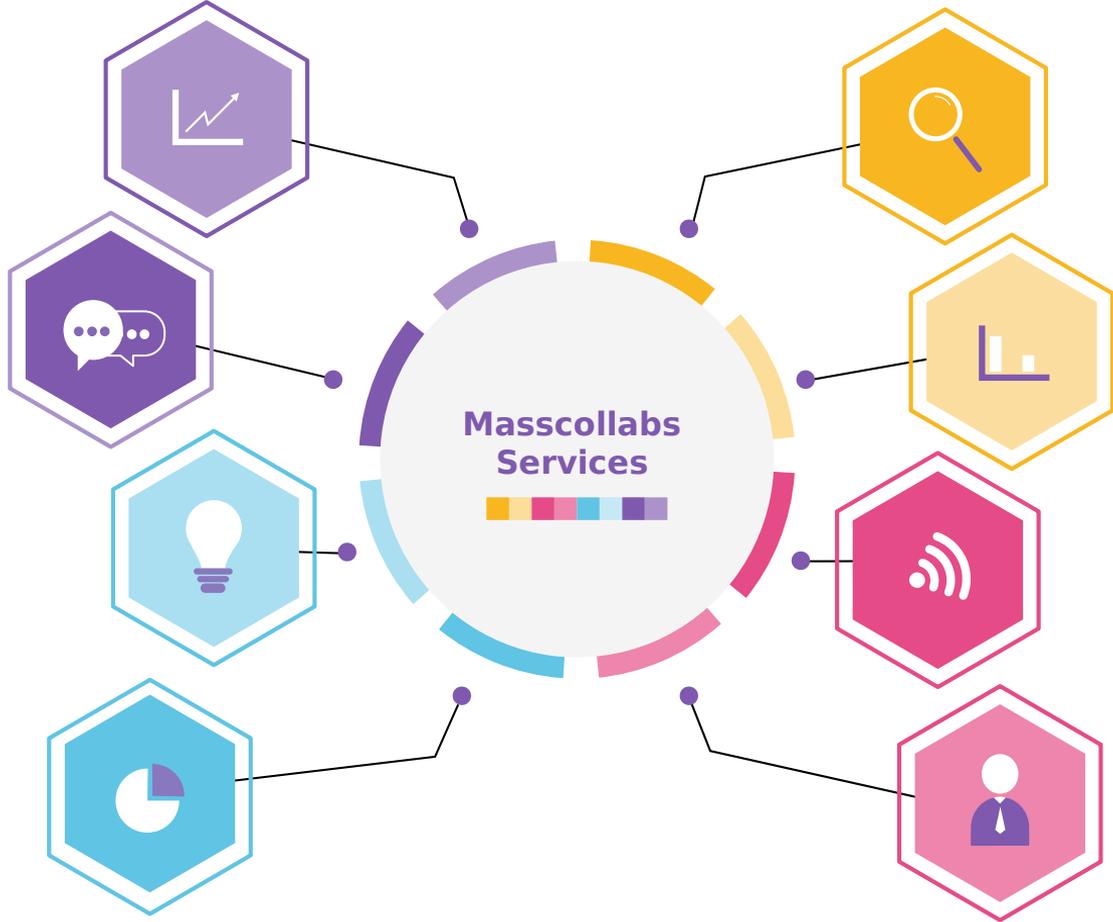

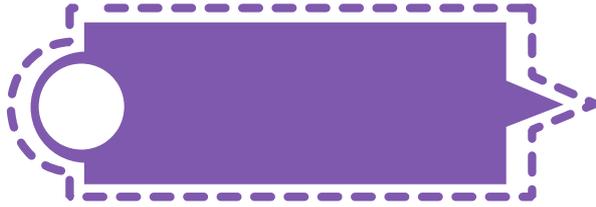

Dream

Dream for freedom for the users and developers

Think

Think the strategy for connecting everyones efforts
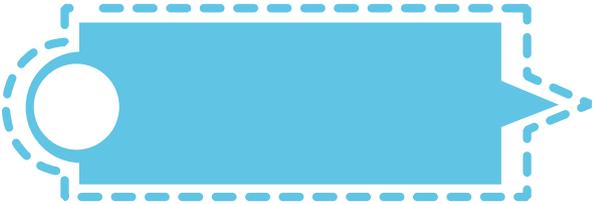

Code

Code for efficient ways to get the quick and safe results
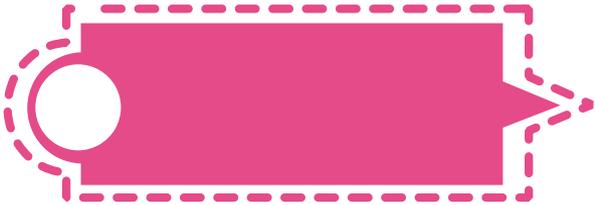

Serve

The power to serve
